

Class of 2025 Welcome Letter

Senior year is here! We hope that the year starts strong and the energy continues through graduation. Our kids will be incredibly busy, but also making memories that will stay with them forever. There will be a lot of information to digest, so it's important to stay up to date. As always, the primary source of information will come directly from Langley HS, but your class parent team hopes to highlight these events and activities via our Class of 2025 website, Facebook page, and eNews. Below you will find important senior class information and key activity dates. We look forward to an exciting and fun-filled year for the class of 2025!
