

LANGLEY BOOSTERS

FAMILY MEMBERSHIPS 2024-2025

Each year at Langley High School, 800 students participate on 40+ teams across 19 sports. 100% of funds raised through Langley Boosters family memberships, corporate sponsorships, and concessions benefit Langley athletics and athletes!

FCPS provides funding for referees, coaches and buses. Funding for all other items is provided by Boosters memberships, corporate sponsorships, and game ticket sales.

WHY JOIN THE LANGLEY BOOSTERS?

- Your support of Langley Boosters is returned directly to Langley's athletic programs, providing items like uniforms, tournament entry fees, equipment, awards, stadium and field maintenance.
- At most membership levels, you receive passes to all regular season home games. (Single tickets are \$5 per person--you do the math!)
- You support Langley's highly successful athletics program and all athletes at Langley!
- Any applicable corporate matches will be applied to your membership level.
